HORSE SHOW WILL BENEFIT HOSPITAL BY OVER \$2,000.00

The E. H. Cudney Blossom Time Horse Show, held on Saturday, May 21, was a spectacular success in all respects. The weather was excellent with sunny skies prevailing all through the afternoon and clear sailing in the evening as well. This was one of the largest shows to be held in this district and it drew numerous entries from various parts of Canada and the United States.

The Cudney family have been working tirelessly during the last many weeks and the results of their efforts were apparent on Saturday. The proceeds of the show are to be handed over to the West Lincoln Memorial Hospital in the near future. Estimates received on the size of the donation and these place the figure at well over two thousand dollars. The final tabulation will not appear for some time yet and the above figure is only an estimate.

This figure includes \$200.00 realized on tickets sold for the horse which was given away; \$96.00 from the Legion concession on the grounds; \$200.00 from the Winona Women's Institute and \$25 from the Winona Men's Club. All these were realized on a strictly purchase basis without donations.

The grounds at the show were very gaily decorated, as were the various concessions. The refreshment booth was serving very excellent.

BLEEDING HEARTS ARE HIGH AND DRY

In other towns the people grow their Bleeding Hearts in the garden but in Grimsby we do it the hard way. Down on John St. on the line between the houses of Mrs. Humphrey Burton and Mrs. Ed. Lampman, there grows a maple tree in which is growing a full sized Bleeding Heart. The plant is situated about ten feet off the ground in a crotch of the tree. It was noted there for the first time last year but this year is the first time that it has bloomed. The blooms, by the way, last for quite some time coming on in relays.

Mrs. Burton stated that birds had been nesting in the tree previous to the appearance of the plant and presumably they have carried seeds for some nearby bird up into the tree. The plant is imbedded in some rich humus material which is made up mainly from the decayed wood of the tree itself. It is a very healthy specimen with a stem about half an inch in diameter and several smaller stems surrounding it.

Nature loves Grimsby. Plants grow anywhere just to be there.

STONE CAIRN TO BE ERECTED BY SOCIETY

The Grimsby Historical Society has been probing into historic spots of this area—the first burial ground, near the pump house—the first mill site—the first survey, and have had a large map prepared showing this first survey.

Elm Street was called Concession St. and the redstone markers, which were removed when the sewer was cut through the Murray-Main corner, a year ago, were not put back properly. The one has Lot 10, Con. 2 and R.R. on other two sides; the other—Con. 1, Lot 10-R.R. (which means Road).

These two bench marks, basic to Grimsby, should each have a 90 turn clockwise, as Concession St. divides Concessions 1 and 2, and Murray St. divides Lots 10 and 11. They are exactly one chain (66 feet apart) the width of Concession St.

The Society's large map (166 feet to the inch) clearly shows this—also the island in The Forty—now the lumber yards of Wood Products; and the water sume from the first dam (Gibson Ave.) to Green's Grist mill, where it is proposed to erect a stone cairn, commemorating the first Grist Mill here in 1768.

The map is now in the new show window of Grimsby Radio, Main Street.

FIRST STRAWBERRIES

The shipping season officially opened here yesterday, when A. W. Edman, shipped strawberries from the farm of Ernie Dyball, Brickyard Side Road. Mr. Dyball was paid fifty cents a pint for his berries, which were a very fine sample. A crate would net the grower eighteen dollars.

HERE HE IS IRON HAT AND ALL

No, folks, this is not the Honorable Winston Churchill, even if he does wear a bowler chapeau and smokes long black cigars incessantly. While he may not be Winston, still he is some political character in himself, as this characteristic pose by photographer Robert Aldrick shows. He is no less a personage than ex-Reeve Harold Gladstone Mogg, considered by those in the know to be one of the best men in Ontario on municipal assessment matters, he is at the present time Chief Assessment Commissioner for Wentworth county and also for several smaller municipalities throughout the province. As that name Gladstone implies he is a staunch Conservative. He started his worldly career in Galt and learned his trade as a printer and pressman on the old Galt Reporter. He worked in various places in Canada as a newspaperman before coming to Grimsby in 1925.

GROWERS BECOME CONSCIOUS OF IRRIGATION POSSIBILITIES

The average fruit farmer and for that matter grain farmer has a great deal of money invested in nature. This investment takes the primary form of land but includes also tractors, sprayers, cultivators and numerous other types of expensive equipment. It extends to the wages he pays for help, the money he pays out for seed and for feed and so on. All this investment depends on the fickle forces of nature. It is a gambler's investment and may be rendered worthless at any time by hail, excess rain or an unexpected dry spell. Farmers of to-day are beginning to realize that the chances are almost too great and are taking steps to insure their crops against at least one and in the case of fruit, probably the most frequent trouble maker, the unheralded dry spell. The insurance is taken out in the form of irrigation.

It appears then that, in the agricultural industry, irrigation is the coming thing. That at least is the considered opinion of the men of the local Orchard Equipment Service, who have been busy of late putting in systems for several local growers. O.E.S. is ready to provide an irrigation system which will be suitable for any type of crop and can even set up a system for inside irrigation of greenhouses.

Each system consists primarily of three separate parts, the pump, the pipe and the sprinkler head. The manufacture of each of these is a skill in itself and specialists have arisen in each field.

The pressure pump is powered by either a gasoline or a diesel engine, although some may use electric units. They may range in size from the fairly small H.P. type to the larger 100 H.P. type. The first mentioned class of engine is capable of developing a total pressure of some 50 pounds and

THREE NEW TEACHERS

Grimsby Beach school trustees have made three new appointments to the Park School staff, effective in September. Walter Morris, Grimsby, will be the new principal. Miss Dorothy Martin, of Toronto, will be in charge of Grades Five and Six. Miss Beverly Bessley, Toronto, Grades Three and Four. One other appointment is yet to be made.

O.A.C. Grads Settle Down To Business. McNinch Starts At Beach

Congratulations are due to seven Grimsby and district boys who were among the recent graduating class at the Ontario Agricultural College, at Guelph, Ont. The spring convocation was held at Guelph on May 25th (last night).

C. B. "Bud" Barnard received his B.S.A. in chemistry and is now working with the Steel Company of Canada as an industrial chemist. Bud lives in Winona, Ont.

Another Winona boy in the class was Arthur "Buster" Arkell, who graduated in Horticulture and specialized in fruits and vegetables. Buster is now employed with his father's firm, Arkell Food Products at Winona.

One of our own Grimsby boys in the class was D. W. Pettit. Don as he is better known to most, graduated in Horticulture and did his specialization in the field of Landscape Design. He is now lecturing at Macdonald College in Quebec and expects to enter Post Graduate work at Harvard.

E. M. McNinch of Grimsby, graduated and specialized in the same field as Don. Ted has now established his own business at Grimsby Beach, The Park Road Nursery, in which he specializes in landscape gardening.

J. Edward Brubaker of Beamsville received his degree in Agricultural Engineering. He is now working with the Oxford Farmer's Co-op. in Woodstock, in charge of farm equipment.

I. L. "Scotty" Stevenson of Grimsby, was successful in obtaining his degree in the field of Bacteriology and is planning to return

E. J. "CHAP" GORDON OPENS OFFICE FOR THE PRACTICE OF OPTOMETRY

Grimsby welcomes to-day, the opening of an office for the practice of Optometry, and the young man who is to start his practice here, following his successful completion of a course at the College of Optometry, Toronto.

Chap Gordon is widely known here, having been a resident of Grimsby since 1930, when along with his mother, Mrs. Eileen Gordon, and sisters Mary and Nancy, they moved here from Peterboro.

In Peterborough, Chap attended St. Peter's School, and after moving to Grimsby, attended Grimsby High for a short time before enlisting in the R.C.A.F. in 1942. A member of the 160th Squadron, Coastal Command, Chap rose to the rank of Flying Officer, while

LEGION SPORTS MEET DRAWS MANY ENTRIES BUT SMALL CROWD

Another Legion Sports Meet has come and gone, with this year's competition being of a higher calibre than in the past, which is a tribute to the Legion, who have built the annual May 24th Meet into one of the finest in Southern Ontario. Ninety-eight entries were received, with over a hundred and seventy-five entrants competing in over twenty events.

The many hours of detailed work required to successfully hold such a meet was ably done by Col. G. R. Chetwynd and his capable staff, and although there were a few moments of confusion getting some of the events underway, for the most part it was a well conducted afternoon of track and field events.

As usual there were events open to all competitors, as well as closed events for this immediate area, and it is regrettable that so few local athletes take advantage of the Legion's offer, which is made possible through the generosity of Grimsby merchants who donate all

ADVERTISERS

With all political parties prepared to go all out in their political campaigns, the pages of The Independent will be at a premium for the next few weeks. We respectfully request that all local advertisers make every effort to have their copy in not later than Tuesday afternoon. We endeavour to give your valued advertising a good location, and would appreciate your co-operation so that we may continue to serve you in the best manner possible.

C. BRUCE HILL IS UNANIMOUS CHOICE TO SUCCEED LOCKHART

"DO A GOOD JOB"—MRS. HILL

"No man can win an election without his wife," so stated Bruce Hill, a few moments after receiving the unanimous nomination at the Progressive Conservative Convention in Beamsville last week. Over one thousand enthusiastic Tories wildly acclaimed Mr. Hill's nomination, as ex-M.P. Mac Lockhart himself nominated the St. Catharines industrialist as his successor in the Lincoln riding. In the above photo Mrs. Hill embraces her husband just before telling the delegates "this is just as proud a moment for me as it is for my husband, I know he will do his very best for you all."

G.H.S. CADET CORPS IN REVIEW ON FRIDAY NIGHT

COUNTY COUNCIL GIVES OKAY TO V.O.N. GRANT

At the opening of the May session of the Lincoln County Council in St. Catharines, Warden Leslie Lymburner and the council requested the Lincoln County Branch of the Victorian Order of Nurses to extend its services to include the Town of Merriton and that the administration of the county Branch take immediate steps to complete the necessary details.

The action was taken by council on a motion proposed by Reeve Ivan D. Buchanan and Deputy Reeve Cecil Record of Grantham Township.

Lincoln's request to the County V.O.N. Branch ended a dispute which arose in March regarding the disposition of a portion of the county grant to the V.O.N. The council made a grant of \$2,500 for the year, \$1,046.71 of the sum to be paid to the Town of Merriton as its share towards the cost of operation of the Peninsula Branch of the V.O.N., which serves Merriton.

TOWNSHIP COUNCIL

Acting on complaints received, North Grimsby council has instructed Reeve John Atkins to contact the proper authority with a view to improving rural mail deliveries in the municipality.

J. A. Sutherland, signal engineer, Board of Transport Commissioners for Canada, advised by letter that he would be in Grimsby on May 27 to make inspection of Depot Street, Kerman Avenue and Nelles Road railway crossings, and asked that council representatives accompany him. Council's requests for automatic signal protection at Kerman Avenue and Nelles Road crossings was previously refused. It is asking for reimbursement of maintenance costs on Depot Street.

Building permit for an \$8,500 residence on No. 8 Highway was issued to Col. K. A. Ramsey. Purchase of used road maintainer for \$1,300 was authorized. Efforts will be made to have a 30-mile speed limit on Park Road, Grimsby Beach.

P.C.'s Jam Hill And Nominate Hill Over Ross—Officers Return— Mitchener Forecasts Thrilling Victory For Conservatives On June 27—Conservatives On The March.

C. Bruce Hill, nominated by a large majority over Romaine K. Ross, K.S.A. at Beamsville last Friday night, will carry the Progressive Conservative colors for Lincoln County in the forthcoming Federal Election on June 27. He succeeds former M.P. "Mac" Lockhart, who for fourteen years has represented Lincoln County at Ottawa.

It was a packed Community Hall at Beamsville that saw two great men stand for nomination, and while the convention sweltered, there were times when the delegates seethed with impatience as speakers took what they felt was too much time expounding the qualities of their nominations.

Ross, Stark Clash
Sharp comments, tossed back and forth between chairman J. R. Stark, president of the Lincoln County P.C. Association, and Romaine K. Ross, promised a stormy convention when the meeting opened. Delegates were perhaps disappointed, however, when the rest of the session went ahead with comparatively "smooth sailing."

A motion from the floor, introduced by Robert Dyke of Port Dalhousie, touched off the spark which flared up between Nominee Ross and Chairman Stark. Mr. Dyke moved that the meeting be thrown open to let everyone vote on the candidates. His motion was greeted with a rumble of "No's" which drowned out any further comment. Mr. Dyke contended that certain regulations in the Party's constitution were not being fully observed, and pointed out that there were a number of delegates present, but besides them, a number of staunch supporters, who were not delegates.

J. R. Stark replied that there is nothing in the Constitution which refers to an open convention.

"It calls for the appointment of delegates by the primary association and each of those associations has sent the names of the delegates to the secretary. The secretary can only accept those names which are presented to him as delegates," Mr. Stark told the meeting. He ruled Mr. Dyke's motion out as unconstitutional.

Earle H. Thomson, St. Catharines, tried to speak from the floor in connection with Mr. Dyke's motion but was refused permission by Mr. Stark.

Objection Raised
Romaine K. Ross, addressing himself to the chairman, voiced strong objection to Mr. Stark's refusal to let another man speak.

"You have exhibited anything but courage in refusing to hear a seconder of the motion," Mr. Ross said. "The constitution provides a method for the election of delegates, not the appointment of them, as the chairman has suggested."

(Continued on Page 3)

ALL HAIL THE LUCKY FRUIT GROWER—OVERALL CROP PICTURE GOOD

Regardless of what your friend the fruit grower may tell you, the overall prospects for a very good crop this summer are excellent. As a matter of fact, Professor Palmer of the Indiana Experimental Station, has stated that the crop prospects are better this summer than they have been in years.

The are, however, exceptions to the rule. There very definitely may be some orchards and restricted areas where certain crops may not be at their best. Reasons for this are largely on climatic conditions, and in some cases due to improper feeding of the land or liming.

Thimble area appears to be (Continued on page 6)

GRIMSBY WEATHER

Week ending at 8 - Monday, May 23rd, 1949.
Highest temperature 88.0
Lowest temperature 49.0
Precipitation 1.41 49.0

START NEW BRIDGE

Work has started for the new concrete bridge which Lincoln County Council will build over the creek at Beamsville Falls. It will be south of the old bridge at present in use. The route of the road approaching the bridge from the east will be considerably changed, at least three sharp curves being eliminated.

Facts • And • Fancies

FRANK FAIRBORN, JR.

True independence is never afraid of appearing dependent, and true dependence leads always to the most perfect independence.

Be Sure And Vote — Conservative

(As dictated to a stenographer)

As you read in last week's edition of this Great Moral Educator and Profound Moulder of Public Opinion, the Editor of The Independent is to a great extent out of circulation, for three months at least. In the meantime a lot of momentous things are going to happen. One of them, the main one, is the Federal election on Monday, June 27th.

That election, to me, means the continued prosperity of this great Dominion of Canada, IF George Drew and his Conservative government go into power. I will not go so far as to say that we may not have a certain amount, very small, of growth and prosperity under Mr. St. Laurent and his government, but not anything in comparison with that we will have under George Drew.

Everybody from Timbuctoo to Two-Buck-Two knows that I am a Tory, a Tory of the good old Sir John A. MacDonald school, and therefore you know what side of the fence I sit on. Therefore I tell you no lies when I say that I have voted Liberal and that my late father before me voted Liberal. But we voted that way in order to save our province. If you want proof ask Tom Marshall, ex-M.L.A. for Monck constituency (Dunnville).

If I thought for one Holy minute that C. Bruce Hill was not going to carry Lincoln and that George Drew was not going to carry the Dominion, and that the C.C.F., the Socialist Democrats or any other of the wildest parties were going to rule my country, I would go right out and vote Harry Cavens and St. Laurent, in order to save my people of the Fruit Belt from trouble and disaster.

I have a lot of faith in C. Bruce Hill, and had Romaine Ross received the Conservative nomination I would have had the same faith

as I have known both men for a lot of years. But backing Bruce Hill up is the fact that I have that supreme faith in George Drew.

A local member in the House of Commons can go only so far as his seat in the Opposition allows him to go. No county in the Dominion ever had a finer, more conscientious, hard working member than Lincoln had in Norman John MacDonald Lockhart, but he was in the Opposition. What a waste of a member he would have been had his party been in power. In fact, folks, he would have been a Cabinet Minister.

Good Old Lincoln has been fortunate in the last half century in having men represent them in Ottawa like the late E. A. Lancaster (Lincoln's son), the late J. D. Chaplin, and then N. J. M. Lockhart, (Lincoln's Lockhart). I believe that the people of Lincoln have in C. Bruce Hill another man that has all the ability and capabilities of any one of those three great men that have preceded him and I ask you to go out on June 27th and vote accordingly. I do not think that you will lose your vote for Bruce Hill or for George Drew as the next Premier of Canada.

There is one thing that I am absolutely sure of and that is, that unless you follow the following recipe that you will never enter the Kingdom of Heaven. Here it is:

Revere Your God
Honor Your King
Vote The Conservative Party.

If you do not wish to follow that recipe then for your sake, your country's sake, go out and vote Liberal. For God's sake do not bring disaster on yourself and everybody else by voting for those other fool, fly-by-night parties. They have nothing themselves and they have nothing to offer you.

BLONDIN ROPE WALKS NIAGARA GORGE

By PERCY GHENT, in The Toronto Telegram

Vincent Starrett, globetrotter, author, book collector, and citizen of the United States, acquired his taste for books and his ambition to be a writer while, as a child, he wandered fascinated among the tables and shelves of a Toronto book shop kept by his grandfather, John Young.

Starrett's *Bookman's Holiday* re-read many times, is before us. It tells of his collecting adventures in many lands. One chapter deals with his "find" at the cost of a lowly dime of a slim brochure written by Harry Colcord, the courageous soul who was carried across the Niagara Gorge on the back of Blondin, Prince of Rope-Walkers, on more than one occasion. Blondin's dramatic gymnastics are described at length and in vivid style by Starrett. A style so vivid that the reader can easily imagine himself a spectator at the show as Blondin walked the cable with Colcord perched behind him on an August day of 1859.

What a spectacle for a radio step by step description that would have made, we thought. Musing on that idea and incorporating the facts of the feat into our amateur script, it was decided that if the radio had been known in those days, the broadcast would have come over the air something like this:

Daredevil in Red Tights

"This is station XYZ, Niagara Falls, Upper Canada. At 2 p.m., three minutes from now, Blondin, the daredevil Frenchman, will attempt to carry Harry Colcord, an American, across the Niagara Gorge on his back and over a 3-inch rope. A start will be made from the Canadian end of the cable which is only a few yards from the mile here. It is estimated that 300,000 people have gathered on the banks of the river. Special steamers have crossed Lake Ontario bringing thousands of spectators from Toronto alone. Everybody expects to see the adventurers crash to their doom in the boiling cauldron below. Few, if any, believe Blondin's mad enterprise will succeed. We will soon know, for here they come!

"Blondin is dressed in red tights. Colcord looks like a waiter in a dress suit. Both men are on a platform where the cable is tied at this side. Colcord has just climbed on Blondin's back and thrust his feet into stirrups. A balancing-pole is handed to Blondin. It weighs 50 pounds. He swings the pole to the horizontal and steps on the rope. There is a dead silence, except for the roar of the falls, as Blondin inches his way forward. They are out over the tops of the pine trees that tower beside the river. Now, they are that tower beside the river. The cable is swaying over the river itself, and the cable is swaying. It is swaying so much that only the guy-lines, many feet apart, prevent it from tossing the two men into the river, 160 feet below. Blondin has stopped for a rest. He's carrying a man on his back and holding that 50-pound pole! He must be near exhaustion!

Even The Bands Broke Down

"Did you hear that gasp from the crowd? Believe it or not, Colcord just stepped down from Blondin's back and he's standing on the rope behind him. Excitement is intense. Colcord's hands are on Blondin's shoulders. Now he's pickaback once again, with his feet in the stirrups. Blondin walks forward again. They are at the middle of the rope. They seem to be suspended in mid-air, for the cable beneath them is now invisible. Another step. Colcord steps cautiously to the rope once more and has a firm hold on Blondin's shoulders.

"Now what's happening? Blondin is holding a red hat at arm's length. From the deck of the Maid of the Mist down there on the river, a marksmen fires a pistol shot at the hat. Blondin examines the target. He shakes his head. No score. A second shot—did you hear it?—and Blondin shakes his head again to indicate a second miss. A third shot—and Blondin is waving the red hat. A bull's eye! Listen to the crowds roaring applause!

"They are on their way again. But only for a few yards. There's another stop and the cable is swaying frightfully. Blondin's pole is cutting the air like a windmill in a gale. Excitement and suspense is terrific. Blondin must be at the limit of endurance. No, he's far from it. Colcord is on his back, again and Blondin—yes, Blondin is actually running along the rope. There are seconds of tingling tension that seem like hours. Another rest. There's a sag of 50 feet in that rope where Blondin is now, and he has to climb to the American end of it. He's running again. It's incredible. He stops more, but only for a few seconds. Now he is laboring up the slope of the cable with only a few yards to go. He seems to be staggering.

"But he has made it! Blondin is safe on the American side of the river. His passenger is safe. He has finished his hair-raising stunt. Can you hear the cheering? Of course you can. It's deafening. Everybody here is hysterical with relief and excitement. Women are fainting. Bands are attempting to play but break down discordantly. Blondin is safe. Colcord is safe, and the big show is over!

"And now, a word from our sponsor..."

SOCIALIST MAKES "SINFUL" PROFIT

As a Socialist, Ross Thatcher, M.P. for Moose Jaw, is continually complaining that profits are sinful.

As president of a company operating a hardware store Moose Jaw, Mr. Thatcher doesn't do badly, according to a credit organization, his sales 1947 were 18 per cent over 1946. Net (accumulated profits after paying the president's salary and other expenses) increased 54 per cent. And net current assets increased 64 per cent. Figures for '48 not yet available.

"BIG BUSINESS"

How many little people in Canada, widows, school teachers, and all the categories of people who accumulate by thrift and industry a modest saving, are directly concerned in ownership of what is purported to be "big business"? The Financial Post this week cites one company, it could give many more, to show that thousands of little people are the real owners of well conducted major business enterprise. The Post says:

"Socialist orators on the radio and public platform are forever talking about the big companies that they will liquidate for the benefit of the common man. They give the impression that these organizations are the sole property and creatures of a handful of unnamed millionaires. As usual, this sort of talk is all froth.

"In the annual report of B.A. Oil Co., ownership figures show just how wrong these soapboxers can be. Of the 18,597 shareholders of B.A. Oil, 48 per cent hold 25 shares or less or an average investment of under \$600 apiece. Over 18 per cent hold 10 shares or less, or an investment of less than \$250.

"B.A. Oil, like every other big company in Canada is owned by thousands of little people, many of them widows and retired people, who depend on the dividends of a few shares in this or that company to provide them with life's necessities. If these companies were taken over and liquidated, as the socialists plan, it is these little people, not some non-existent millionaires, who would be the chief and immediate sufferers."

Of much more concern than the investment in an oil company, is the stake that so many people have in their insurance companies, from which they hold policies, straight life, endowment, 20 year pay, and all the rest which is first rank investment. All this business, in the hundreds of millions, has developed only from the common urge by humans for security. They have it in Canada. A revolutionary change advocated by crackpots is simply rocking the boat. The socialist dream is simply to penalize Canadian thrift and work of the individual citizen.

THE SAME IN LINCOLN

Here is a condition reported from one electoral constituency, which is general throughout the country, as reported by The Windsor Star:

"Conservatives in Kent must be confident. For, if they were not cocky about holding the seat no one would want to take the nomination from C. Earl Desmond, who has been Conservative M.P. for Kent since 1940. The sitting member usually has no opposition for the nomination. However, Ralph D. Steele, five times Mayor of Chatham, has indicated his intention to contest the nomination. There is never a scramble for a nomination, unless the arrangements are confident of victory for their party at the polls."

The same thing exactly is happening in Lincoln County, except for this difference. Mr. Lockhart retired on his own initiative and by advice of the family doctor. Any doubts about that should be set aside once and for all, when the Tories meet at Beamsville Friday night next.

When Mr. Lockhart announced his clean-cut withdrawal from active politics, The Standard nominated him for elevation to the Senate of Canada. The nomination still holds good. It is a far belief but we still think that the Senate can be reformed.

HORRIBLE EXAMPLE

In all the pie-in-the-sky socialistic theories, being now presented to the country, there is one grave omission, a very serious one at that. It is to the effect that wealth once confiscated by the government ceases to exist, goes down the old drain and can never be again usable, not even for the prime purpose of production. Here is a notable case in point: Lord Gretton, who was chairman of the famous Bass brewery, died a very wealthy man, his will, having been probated recently, showing that he was "worth" £2,802,972, which is approximately 10,000,000. But, when the tax department was through figuring the income-tax, super-tax and other charges, the family had to pay £2,597,868, or around \$11,000,000.

That was great for the government but fatuous from the family point of view. Presumably they were able to pay the imposts out of what previous members of the family had made. If they had not been able to pay, what would the government have done? Sold all their possessions, or sent them to jail?

There isn't any encouragement for manufacturers of any kind of product to go out for business, and employ a lot of people and make money nowadays. And when all this "soaking the rich" policy is carried out, it will only be a drop in the bucket of the national income.

The St. Thomas Times-Journal submits the foregoing. There are phases and aspects of the socialist program in Canada harking back to the days of our forefathers, which make one think, now, that here is a program to elevate the shiftless, to cushion everyone, whether they have a desire to work or loaf, regardless of that fundamental, a primitive one, that he who eats must work or hunt his quarry.

Ne'er take a wife till thou hast a house (and a fire) to put her in.

He's gone, and forgot nothing but to say farewell to his creditors.

(This is another distorted column and I know that my Stone is going to have a hard time keeping track of my vocabulary, but here goes.)

Ma, Ma, Haw! I have known Mayor Lewis since he was a tiny tot in swaddling clothes, but I never knew until last council meeting, just what he was. Haw! Haw! Haw!

I wish Chief James would check up on a lot of Main Street awnings. The law says six feet. I'm only five feet nine and a half and my hat gets knocked off. I know a lot of merchants are going to howl about this crack, but it is a fact nevertheless.

Just a tip to my old friend Sandy Globe. If you want a MAN to take care of your lawn and help you with your flower garden, grab onto Mike Sweet, the Peach Kings' hockey trainer. He really knows his job.

I know a lot of boys in this town and district that would be better off parading around in a pair of army khaki pants than they would be in RED, YELLOW and bright GREEN trousers and PURPLE shirts. If I was Chief James I would lock you up for disturbing the peace of mind of the general public. You all come from good families. You should all be ashamed of yourselves. Little "Duffy" Duffield told a couple of you where you got off at last week. I hope it had some effect.

Miracles will never cease to happen despite the fact that my Ministerial friends tell me that they do not happen. Here is a real illustration of a miracle, and it somewhat enters the ministerial classification. For the past five years "Red" Graham, better known as the "Bishop of Eaton Street" has been coaching five pin bowlers at The Bowliway. Then one day he decided to do a little bowling himself. He took on Jim Blackinton, who bowled him left-handed and "Red" got licked something awful. Last week the Great Agriculturalist decided to take up Lawn Bowling and lo and behold, teamed with Hydro Commissioner Andy Anderson, they cleaned the clocks of a lot of supposed to be World Champion bowlers including Davy Alton and "Anyhow" Warner. I knoweth not what you got, "Red", but you got something.

Last Halloween Night some NONDESCRIBT person or persons saw fit to tear down the sign that hung over the gateway to the "House of Livingston". Also, these same feeble minded persons or other persons of the same mentality tore down and threw away a \$75. outdoor thermometer from the wall of a house of a prominent gentleman in Grimsby. Fortunately this spring I found my sign buried under the leaves of the town hedge. The other gentleman has not yet recovered his thermometer. My sign is back up, hanging high over the archway of my gateway, the gateway to hospitality, friendliness and good citizenship. It was placed back there last week by one of my Good Neighbors. It is there to stay this time. If you Gentle Rats wish to tear it down next Halloween, go ahead, but I'll get you this time, for you'll have to take the whole fence with it.

I extremely regret the fact that I was unable to attend the banquet of the Men's Bowling League in St. Catharines last Wednesday night and more extremely do I regret the fact that I could not attend the banquet of the Peach Queens' Bowling League. I did the best I could do for the Queen's, I sent Gord McGregor. All reports are to the effect that he really carried off the honours in fine style. He should do, for the Peach Queens are the greatest bunch of girls that ever existed in any town in Canada. I do not know how the men made out for their M.C., but there would be nothing to worry about for so long as Old Gas Rahn was there proceedings would go off O.K. Right here I want to pay a tribute to Little Whizzer The Whacker. When the Little Guy opened up The Bowliway he did one of the finest things that ever was done insofar as sportsmanship, womanship and good relaxation that ever was done in Grimsby.

I have been in the newspaper game for half a century, not only in Grimsby, but all over the Continent, and I still cannot understand people. I walked out of the office the other night and Fire Chief Alf LePage and his boys were just backing the new truck into the fire hall. They had just come from putting out a grass and bush fire on Oak street. While on the job the Chief brought out the new triple, aluminum extension ladder off the new truck and had his men operate it. While the operation was going on Chief of Police James drove up and parked. He and I stood and watched the operation for at least 15 minutes. He had just come from a phone call. After leaving the Big Chief I only walked to the corner of Main and Depot and I was accosted by a good, hard-working citizen of Grimsby, who demanded to know "where are all the police in this town that I am paying taxes for." I just took one gander at him and replied, "You saw me and the Chief of Police talking down there, for your eyesight is good, not as bad as mine is, I saw you, therefore you saw me and the chief. I have known you for 48 years and I have never known you to be anything but a squawker yet. If your Police Force was working for nothing you would still be squawking because you would want them to be paying you for being allowed to work. GOOD NIGHT." I wended my way home, thinking what a funny world this is and how funny the people are that populate it.

(For the next three months this column is at the mercy of Gord McGregor and Art Brydon. So—so—so Long. Will see you when the peaches are ripe.)

A typical boys is the one who can eat enough beans until he feels as if he will split.

From Page One

C. BRUCE HILL

Delegates, as far as St. Catharines is concerned, were not elected, they were appointed. I demand that either we follow the constitution in its entirety or conduct this convention as a business meeting, and stop quoting passages to suit the people at this meeting," he concluded.

Mr. Stork told Mr. Ross that the decision to declare the meeting "open" would have to be unanimous. No such decision was reached.

"C'mon Mac" In a popular motion made by Cecil Secord of Grantham, N. J. M. Lockhart's name was placed before the convention for re-nomination. Herman Rogers, K.C., seconded the motion which met with the wild acclaim of the delegates. Shouts of "C'mon Mac" were heard from all corners of the hall, while big, white-haired Mac Lockhart sat stoically on the platform in silent refusal of the privilege to represent Lincoln County at Ottawa for another term. Both Mr. Secord and Mr. Rogers expressed the opinion that if the veteran member of parliament were to stand for re-election he would be nominated by acclamation.

"I was never so near disregarding a doctor's orders as I am tonight," Mr. Lockhart said when he finally stood before the microphone. He said that this decision was one of the hardest he had ever been asked to make, but that he must retire for the sake of his health. "These are the facts," Mac declared, "and not the false rumors that have been circulating."

Work for Drew He told the meeting that the Progressive Conservative Leader George Drew is "doing a wonderful job." "We have the chance to win now if we have ever had a chance," Mr. Lockhart said. "I feel in fairness to myself and to my family, that I would be better to retire," he concluded, "but not to quit work, because I am going to work for this party of ours and for George Drew. I am going to work like the devil, don't think I'm not."

The retiring M.P. nominated his friend, C. Bruce Hill as a worthy successor, describing Mr. Hill as "a man whose word is as good as his bond."

Hill Nominated Mr. Lockhart's nomination of Mr. Hill was enthusiastically seconded by Dr. J. H. Leeds of Smithville. Outlining his colorful career, Dr. Leeds told the convention that C. Bruce Hill was born in Ottawa in 1895; was educated in Ottawa public schools and Trinity College; enlisted as a gunner with the Canadian Field Artillery in 1914; was wounded in 1916, won the Military Cross and Bar, and was mentioned in despatches, and was discharged from the army in 1919, with the rank of major.

In 1932 the new P.C. candidate bought a controlling interest in the Engineering Tool and Forging Ltd. of which he is now president. Ltd. of which he is now president. For some years Mr. Hill has also operated a successful farm. He is a lifelong member of the Tory party, and has served as president of the Ontario Branch, Canadian Red Cross Society; is past national president of the Canadian Chamber of Commerce; a director of the Canadian National Exhibition, and serves his community and country in several other capacities.

"In C. Bruce Hill we have the exemplification of everything for which our party stands," Dr. Leeds said in conclusion. "He understands the problem of the farmer, the industrialist and the foreign country."

Wallis Nominates Ross Ald. Arthur I. Wallis, who nominated Mac Lockhart at the last convention, presented nomination papers for Romaine K. Ross. Mr. Ross, he said, was born in Wellandport of a Conservative family, his father having been a member of the Provincial House and a representative of the party in his riding. The well-known St. Catharines barrister, has lived all his life in Lincoln County, is a graduate of the University of Toronto with his Master of Laws Degree, conferred upon him in 1940, and has practiced successfully in St. Catharines and Beamsville. Hecklers were told by Mr. Wallis that he had prepared his address and that he intended to finish it "if I have to be carried off this stage." Restless supporters were urging him to "cut it short" as they did with Dr. Leeds in his introduction of Mr. Hill. Continuing, after Mr. Stork called for "a little British fair play," Mr. Wallis said that Romaine Ross had been elected mayor of Port Dalhousie in 1949 by a sensational majority which recorded the highest polling for such an office in the province. Mr. Ross helped incorporate Port Dalhousie as a town prior to his election as mayor. He also founded the Lion's Club in the town, and is an active worker in young people's groups and in other civic affairs. Rumors that Mr. Ross had offered his services to other political groups were flatly denied by Mr. Wallis, who said that the lawyer's services were sought by many people but he had not accepted any such offers in the political field. Nomination of Mr. Ross was seconded by Robert Dyke, Port Dalhousie, and nominations were declared closed at 9:50 p.m. Following addresses by both nominees, and casting of the ballots.

Murton Seymour was named returning officer, and Alfred Lines, Port Dalhousie, and Herman Rogers were appointed scrutineers. Guest speaker, Roland Michener, former provincial secretary in the Drew government, and candidate for St. Paul's Ward riding in Toronto, was asked to preside at the installation of officers. J. R. Stork and L. C. Foster were returned to office by acclamation. Mr. Stork will serve as president of the Lincoln County Progressive-Conservative Association for another term, and Mr. Foster will continue as secretary of the organization.

C. Bruce Hill National unity and understanding are the greatest things that can be achieved in Canada. In the opinion of C. Bruce Hill, in his nomination address in Beamsville Community Hall last night, Mr. Hill said that he has come to realize that to fight socialism and root out communism in this country, the only place to do it is on the floor of the House of Commons at Ottawa.

"I have had great opportunities, not only to hear, but to see the people of Canada from coast to coast, and I do not like what I have heard and seen," he declared. "We are surrounded by abundant natural resources; we have a magnificent body of working men and women; and we have keen and aggressive management across the country," Mr. Hill pointed out, "but I see the ugly head of communism coming up everywhere."

He told the convention that we in Canada know from such experience as the spy probe, that communists intend if necessary to tear down this country by force, and yet, Mr. Hill emphasized, the present government in Ottawa still affords them the privilege of a political party.

"Industrial strife is also evident in our country," the new candidate continued, "and there is a lack of understanding from one coast to the other that should not exist in a country such as Canada."

Concluding his brief address, Mr. Hill said he would make only one pledge to the people of Lincoln County: "Win, lose or draw, our opponents will know they have been through a fight."

Remains Here Stricter allegiance to the Crown, regular inter-provincial conferences, supremacy of parliament and the rule of the law were given by Romaine K. Ross, K.C., as his ideas of what the basic principles of the government of Canada should constitute.

Mr. Ross also stressed freedom of enterprise and the need for allowing individual citizens access to our courts at all times.

"I feel that the present government has not shown too high a regard for the unity of the Commonwealth of Nations," the barrister said. "It is regrettable to notice that Prime Minister St. Laurent thought it more expedient to go on a political tour here than to attend the conference of Prime Ministers in London, England."

Mr. Ross thought the Liberal party had ignored the fundamental principles of government, in such cases as the spy probe which were conducted without benefit of counsel, and named other instances where supremacy of parliament has been unheeded.

Roland Michener "From the very first day George Drew took his seat in the House of Commons at Ottawa," Roland Michener, Drew's right-hand man, told the convention, "he established himself as a parliamentarian without equal in the house."

Mr. Michener said that Col. Drew took command of the house and his 60 members were so encouraged and inspired by their leader's stand that the Liberals were afraid to stay and face the barrage.

"Every election has gone against the government since Drew took over as leader of the opposition," pointed out Mr. Michener, "and the Liberals realize that the longer they remain the worse it will get. I do not think there is a prospect of the present government coming back with a majority in the house," he added.

The Budget

In his view the budget brought in recently by Finance Minister Abbott is only a piece of paper set down on the table to be forgotten. He said that the Conservatives have adopted a policy of reducing the sales tax which will remedy one of the serious shortcomings of Abbott's budget. "This will help to give every Canadian taxpayer the relief he deserves," according to Mr. Michener.

He reminded his listeners that during the past three years the Liberals have taken out of the pockets of taxpayers \$1,600,000,000 more than they needed. Reduction of income tax in Mr. Michener's opinion was an afterthought thrown in by the Liberals.

"Canada needs a change. It needs a Progressive Conservative government, and it needs George Drew as its leader during the next four years," the former provincial secretary concluded.

Hon. Charles Daley, Ontario's minister of labor, introduced Mr. Michener and also spoke briefly of his friendship with N. J. M. Lockhart and his memories of other conventions in Beamsville Community Hall.

CELEBRATING THEIR GOLDEN WEDDING

On May 30th, 1899, in McNab Street Presbyterian church, Hamilton, W. H. McClure and Elizabeth Jane Bowyer, were united in the Holy Bonds of Matrimony by Rev. Dr. Fletcher. This happy union has been blessed with five sons and two daughters, of whom four sons and one daughter are living, they being Thomas William and Robert J. of Hamilton; George Douglas of Toronto, and Charles A. of Sudbury, and Mrs. James Braid of Grimsby. There are 11 grandchildren. Mr. and Mrs. McClure lived most of their married life in Mount Hamilton, where Mr. McClure conducted a bakery business, retiring in 1939, moving to Grimsby in 1945. The happy young couple will be at home to their family and many friends at the home of their daughter, 30 Nelles Boulevard, on Saturday, May 28th, from three until 5:30 in the afternoon.

GREEN TREES GUESTS

Mr. and Mrs. Broom, Orkney Is-
lands, Scotland; Mr. Doug Bourck
and Mr. Andy Sutherland, Drum-
hellen, Alberta; Mr. and Mrs. T. P.
Wells, Cleveland, Ohio; Mr. and
Mrs. W. L. Raleigh, Cleveland,
Ohio.

Mr. and Mrs. R. C. Brooks, Buf-
falo, N.Y.; Mrs. J. V. Shireff, Ot-
tawa; Miss Helen Patching, Ot-
tawa; Mr. and Mrs. C. W. Beck,
Cleveland, Ohio; Mrs. G. B. Lytle,
Cleveland, Ohio.

ASCENSION DAY SERVICE AT ST. ANDREW'S

The Choirs and Congregations of
St. John's Church, Winona, St. Al-
ban's, Beamsville and St. Luke's,
Smithville, will join with those of
St. Andrew's Church for a service
of Witness on Ascension Day (to-
day, May 29th) at 8 p.m.

The Preacher will be the Rev.
Morse C. Robinson, recently ap-
pointed Rector of St. James'
Church, Hamilton. This is one of
four such services being held at
the same time in the Diocese of
Lincoln and Welland.

The local service in St. Andrew's
Church will feature special music
under the direction of Mr. Walter
Booth, organist and choirmaster.
The purpose of the service is to
pay honour to the Ascension of our
Lord which is always observed
forty days after Easter.

LUNCHEON HELD AT EL RANCHO ON FRIDAY

The International Affiliation of
Advertising and Sales Clubs of the
United States and Canada, whose
convention was held in Hamilton
last week, entertained the ladies of
the convention at a luncheon, held
at El Rancho Casablanca, Grims-
by, on May 26th. The ladies were
officially welcomed by Mayor
Clarence Lewis of Grimsby, and
Reeve John Aikens of North
Grimsby Township. Mayor Lewis
extended greetings from "the big-
gest little town in Canada," and
expressed the hope that the ladies
would be able to visit one of the
district before taking their leave.

Fourteen Canadian and five
American cities were represented
at the convention. Some latter
were Buffalo, Erie, Jamestown,
Syracuse, and Rochester. The con-
vention is being held at the Royal
Connaught Hotel in Hamilton.

The luncheon was entertained by
Miss Mimi Johnston, 14 year old
daughter of the President of the
Hamilton Club. Miss Johnston sang
several numbers.

A demonstration of the correct
methods of use was presented by
Mrs. Leckie of Hamilton.

CARD OF THANKS

We wish to thank our many
friends and neighbors for their
kindness and messages of sym-
pathy, those who paid calls and
for the many beautiful flowers re-
ceived during our sad bereave-
ment. In the loss of our dear hus-
band and father.

Also the Rev. A. L. Griffith for
the beautiful service, Dr. F. Mc-
Intyre and especially Misses
for his speedy response to the
emergency call.

Mrs. M. A. Cramer and family.

Nuptials

THOMPSON-HAMMOND

Lilies and apple blossoms form-
ed the lovely bridal setting at
Christ Church, Delaware, for the
marriage Saturday, May 14th, of
Ruth Marion Hammond and Robert
Shirley Thompson. Rev. W. C. Al-
lison officiated at the ceremony
uniting in marriage the daughter
of Mr. and Mrs. John Oulton Ham-
mond, of Delaware, and the son of
Mr. and Mrs. Victor Thompson, of
Grimsby.

Mrs. E. Minnett played a soft
background of bridal music
throughout the ceremony and
Charles Auld of Detroit sang "The
Lord's Prayer," and "At Dawn-
ing."

Given in marriage by her father,
the bride wore a gown of heavy
white tulle with full skirt, fea-
turing a bustle back, and
portrait neckline. Her fragile hair-
loom veil was of points Venise
lace, 125 years old, and was first
worn in England by the groom's
great-grandmother. It was held
with a dainty Juliet cap. She car-
ried a colonial bouquet of deep red
roses.

Three attendants preceded the
bride, Miss Elizabeth Hammond, of
London, her sister, in pale pink.
Miss Philippa Thompson, Grimsby,
sister of the groom, in pale yellow,
and Miss Mona Kelly, of London,
in pale turquoise. They carried
dainty bouquets of rosebuds and
sweet peas blending in tone with
their gowns.

Donald Watt, of Toronto, was
groomsman and the ushers were
Fred R. Shaw, of London, and
David Frewin, of Windsor.

Mrs. Hammond received guests
after the ceremony on the lawn at
"Kimberley," the family home in
Delaware. She wore a powder blue
frock with navy accessories and a
coronet in pink tones. The groom's
mother assisted in a navy and
white ensemble with a pastel cor-
sage.

On their return from a wedding
trip through the Northern States
the couple will live in Windsor.
For travelling, the bride wore a
gray-green suit with buff shortie
coat and rose-tinted accessories.

The bride is a graduate of Vic-
toria Hospital and of the Univer-
sity of Toronto School of Nursing.
She will resume her association
with the V.O.N. in Windsor.

MOTHERS' CLUB

The May meeting of the Mother's
Club was held at the home of Mrs.
A. Henley. Mrs. J. Durham took
charge of the meeting in the ab-
sence of the president.

The meeting opened with a hymn
followed by the Lord's prayer and
the reading in union of the Ten
Commandments.

Plans were made to hold the an-
nual picnic at the home of Mrs. G.
Curtis on Wednesday, June 15th,
with the following to be in charge
of the arrangements: Mrs. R. One-
by, Mrs. G. May, Mrs. H. Clark,
Mrs. H. Lambert, and Mrs. J. Dur-
ham.

The meeting closed with a pray-
er followed by a social half hour.

FARM FORUM NEWS

Woolverton Road Forum held
their monthly meeting at the home
of Mr. and Mrs. Walter Gibson.
The early part of the evening
was spent in practicing miniature
golf on the forum's new golf
course. We now have 50 members.
Anyone may buy a season's ticket
from William Morrison or Walter
Gibson.

June 25th was chosen as the
most suitable date to hold a com-
munity picnic on the school
grounds. Committees are to be:
Lunch and coffee, Mrs. Gordon
Etherington, Mrs. Spencer Merritt
and Mrs. Geo. DeQuetteville; Ta-
bles and Chairs, Messrs. John Down-
laugh, Bill Morrison and Ferris
Wyllie.

A letter was received from Miss
Grace H. Gray inviting the forum
to give her an outline of the year's
projects as she would like to write
an article for the farm magazines
describing our activities.

A general discussion about Folk
Schools was led by Alvin Ethering-
ton.

Others who assisted with this
discussion were Misses Kay Wyllie,
Ola Etherington, Dorothy Bow-
laugh, Mrs. Wm. Morrison, Mrs.
Reg Walker and Mrs. H. Gibson.

Lunch was served by Mrs. Wal-
ter Gibson, assisted by Miss Dor-
othy Downlaugh, who provided ice
cream for all.

Some men die a natural death
while others, while smoking a

MISS MAY CRITTENDEN,

Resident Staff Correspondent.

Telephone Your News Items To Her.

Miss Lily Smith has returned to her cottage for the summer.

Mrs. Fred Tufford is quite ill in the Hamilton Hospital. All her friends wish her a speedy recovery.

Mrs. Wm. Sterling had the misfortune to fall and break her wrist. We all wish her a speedy recovery.

Mr. and Mrs. Ken Nelson and Bruce and Donald Clements spent the weekend fishing at Port Severn.

Mr. and Mrs. Walter Rushak spent the week-end at Rochester, N.Y.

Mrs. Jas. Scott and Geo. R. Scott from Hopeville, Ont., were weekend guests of Mr. J. B. Canavan and Doreen Scott.

Mr. A. Jones was brought by ambulance to his home from Sunnybrook Hospital where he has spent the last few months.

Mr. and Mrs. Lloyd Rosebush and family spent the weekend with Mrs. Rosebush's mother, Mrs. L. Reed, at Redbridge, Ont.

Mr. and Mrs. F. C. Higgins have moved from the Graham cottage, where they have spent the winter to their farm on the Brickyard Road.

Friends of Mrs. W. MacDougall of Hamilton, former owner of Stone Pier Cottage will be sorry to

hear of her death in Hamilton General Hospital on Sunday.

Bobby Lee led the bow! that opened the meeting of the Grimsby Beach Wolf Cub Pack on Friday afternoon in the Cub den. Two more badges were awarded to Harry Astle, who has been winning them "hand over fist" since gaining his 2nd Star. The "toymaker" and "house orderly" badges were presented to him with Akela's congratulations and the Pack's applause.

After the routine business of the pack had been completed the Cubs were divided into two groups, one remaining at the school with Bagheera and the other going "a-hunting" under Akela's direction. The hunt was of the "scavenger" variety and the Cubs collected what they could find from the articles on a list which included everything from a "four-leaf clover" to a "crow's feather." The winning team of Don Nichols and Harry Astle received for a prize a box of Akela's home-made candy, and the losers were adequately consoled by each having a piece of the same delicious confection.

At the school throwing and catching and racing were practised by the Cubs, who topped off their afternoon with a spirited game of baseball.

Good hunting, Cubs!

WOMEN'S INSTITUTE REPORT

The Women's Institute held their May meeting at the home of Mrs. S. Stuart, Robinson St. Plans were made to do knitting for a needy family. A cheque was forwarded to the cancer fund. Mrs. Layton, President, was appointed convener for the school prize to be given to a public school student during June.

The day of the meeting was changed from the third Tuesday of the month to the third Wednesday starting in June. This meeting was to take the form of a potluck supper on the municipal grounds. This will be the 44th anniversary of the Grimsby Women's Institute.

Short courses were discussed and Mrs. Layton explained that these were open to everyone, that this is a district service for the nominal fee of 35c.

Delegates appointed to the district convention were Mrs. R. Neale and Mrs. F. J. Burton. The annual convention this year will be held at Rosedale, Silverdale United Church, June 1st.

The programs for the year are made out and were approved by the members. Printed forms will be distributed at the June Meeting.

Tag day will be June 11. Mrs. Murphy offered her home for making boxes for this event.

Mrs. William Layton gave her annual report on publicly, which showed the year's work and endeavor, completed by the Women's Institute.

Mrs. Layton's report was, in summary, as follows:

Charity and goodwill work:

—Donations to The Canadian

National Institute For the Blind, The Canadian Cancer Fund, The Kiwanis Children's Aid, The Aid to Britain Fund, and the Sanatorium Christmas Seal Fund.

—\$25.00 per year towards the up keep of a bed in the Niagara Penitentiary Sanatorium as well as the provision of jams and jellies and toys for the children.

—\$350.00 for the operating table for the West Lincoln Memorial Hospital. Jams are provided for the hospital and sewing is done as well. A membership in the Ladies' Auxiliary is maintained.

A baby clinic is maintained and the V.O.N. which the Institute helped to get started here is supported.

Funds raised for the St. John's Ambulance Corps.

Aid provided for the house to house canvass for the recent mass x-ray.

Steps to increase the prestige of the Institute:

—Three members receive life memberships in last two years.

—W. I. stationery with crest obtained.

—Tag day, sale of Christmas cards, suppers and draw instituted to raise funds.

—The sick committee is always ready to offer aid and comfort.

—An award is presented to a public school pupil for efficiency.

—Health insurance plan taken out.

All in all a prosperous year.

The meeting ended with a delicious lunch served by Mrs. W. Layton, Mrs. G. G. Graham and Mrs. F. J. Burton.

Notre Dame Academy the past week. Among the guests were Miss Clara Dermody, Hamilton, Mr. and Mrs. W. H. Lovering, Hamilton, Mr. and Mrs. O'Neill, Toronto, Mr. Cassidy, Hamilton, Mr. and Mrs. Gordon Burjow, Hamilton, Mr. and Mrs. Fred Burjow, Waterdown, and several others. Table decorations were carried out in the academy colours, lily of the valley, white snapdragons, blue carnations, and blue candles.

IN MEMORIAM

VAN DUZER—In loving memory of a dear dad, W. H. Van Duzer, who passed away May 23, 1948.

You're not forgotten, father dear, Nor ever shall you be, As long as life and memory last We shall remember thee.

—Lovingly remembered by wife and daughter, Myrtle.

CARD OF THANKS

Thanks to finder of spray gun on overhead bridge, and also to Har- die Sprayers for turning it over to me.

There are still some honest people.

John Tatal, Queen Elizabeth Highway.

We wish to thank the many friends and neighbours for their messages and cards of sympathy and floral offerings received in the sad bereavement of a sadly missed husband and father.

Thanks also to doctors and nurses at Hamilton General Hospital, and V.O.N. Miss E. M. Secord; special thanks to Rev. J. P. McLeod and to Mr. E. L. Stonehouse.

Mrs. Thomas Mackie and family.

AT HOLY HOUR

His Eminence James Cardinal McGuigan, Archbishop of Toronto, who will attend and preside at the Holy Hour to be held Sunday, May 29, at the St. Catharines Lacrosse Bowl, under the sponsorship of the Holy Name Societies of the Niagara Diocese.

OPTIMIST DIRECTORS

School Board to erect a backstop on the school athletic field.
The Optimist Auction Sale will be held not later than June 13, in the meantime the Club is busy selling tickets on a boat which is complete with marine light, five horsepower outboard motor, cushions and cars. The proceeds of the Auction and the draw for the boat will be used for the service work of the club, with the boys' work getting a large portion.

JAYCEES SPONSOR

Clean-Up week is planned for June 13 to June 19 inclusive. Stand will back men, and watch for those gentlemen with the brooms.

The recent Bloomington Cavalcade was discussed and it was felt that the whole thing was a complete success. The members decided to thank all those who helped or were connected with it in any way. A special note of thanks was extended to the Black Hawks cycle club. A bigger and better cavalcade is to be held each year in the future. In connection with this same matter, a letter was received from three local clergymen protesting the holding of the parade on Sunday. It was duly acknowledged and filed.

O.A.C. GRADS SETTLE

to A.A.C. to do post graduate work in the fall.

Scotty also holds the rank of Lieutenant in the reserve army, with which he has done some outstanding work for the past two summers.

W. E. Fellows of Grimsby, is now a B.S.A. in Agricultural Engineering, and is working with George White and Sons of London, Ont., in charge of farm equipment.

Messrs. Fellows, McNinch and Brubaker spent some considerable time with the R.C.A.F. during the last war.

COUNTY COUNCIL

of the Peninsula Branch requested that Merritt's share be paid direct to the Branch, intimating that Merritt did not intend to turn over the whole sum, but only a small portion.

As requested by council last month, Chairman H. L. Crues of the County Branch, W. C. Nickerson of the executive and Miss Ferguson of the Ottawa office of the Victorian Order of Nurses attended today's meeting of the council to discuss the problem with Warden Lymburner and the councillors.

Reeve Leonard Hoare of Merritt gave a resume of what had transpired in regard to the grant and claimed that it was "very unfair" that Merritt should pay such a sum when Thorold and Thorold Township in Welland County, the other municipalities receiving service from the Peninsula Branch, were only paying \$250 and \$200. He also gave details of the service given to Merritt and claimed that Merritt had paid more to the Peninsula Branch than the other municipalities over a period of years.

Objection to the principle of a municipality receiving money from the county for a certain purpose and then only paying a portion while putting the remainder against the current tax rate was voiced by Reeve Ivan Buchanan of Grantham and his words were echoed by Reeve J. Douglas Taylor of Leith Township.

When Reeve Hoare declared that the move to only pay a portion of the grant had been approved by the

Department of Municipal Affairs, Mr. Buchanan pointed out that the county solicitor in April had ruled otherwise. Reeve Hoare claimed that the Peninsula Branch had been putting money in the bank every year and declared "this had been going for years." He did not present figures except for the past two years to back up his statement and again referred to the difference in grants from the various municipalities served by the Peninsula Branch.

Chairman Crues of the County Branch stated that Merritt could be served by the County Branch with the addition of one horse and a car, a step which would be necessary this year regardless of the inclusion of Merritt, without an increased grant.

Miss Ferguson of the Ottawa National Headquarters of the Order told council that it would be sound practice to include Merritt in the County Branch. She stated that there was enough work in Thorold and Thorold Township for one nurse and that there had been enough in the three municipalities for the past two years for two nurses.

Clerk William Millward informed the council today that the Department of Highways had approved the expenditure of \$312,000 on county roads in 1949. Other communications read to council included expressions of appreciation from the Canadian National Institute for the Blind for the annual grant of \$750 and from the Salvation Army for the 1949 grant of \$133.

At the close of the May sessions of the Lincoln County Council held in St. Catharines under the chairmanship of Warden Leslie R. Lymburner, Reeve of Calator Township, the council approved a grant of \$3,453.26 to the Lincoln County branch of the Victorian Order of Nurses. The action was taken during the meeting of the Finance Committee, presided over by Reeve Leonard Hoare of Merritt.

During the sessions of the Road Committee under the chairmanship of Reeve Harold Freure of Clinton, the council decided to take no action regarding a recommendation made by the committee last month that application be made to the Department of Transport for an increased grant towards the cost of the Port Dalhousie fill at the road alteration. No action was taken either on the request of the road employees for an increase in their hourly rate of pay. Requests for tilling from the Townships of Leith and Gainsboro and the Village of Port Dalhousie were ordered filed without action.

The council decided to inspect the lands of the county home for the aged on Ontario St., on June 21 at 9.30 a.m. with a view to selling the property on the east side of the street. The action was taken during the sessions of the Industrial Home Committee. The council also approved the report of the Industrial Home Board of Management presented by the chairman of the Board, Reeve W. L. Patterson of Niagara-on-the-Lake.

Reeve John B. Aikens of North Grimsby Township, chairman of the Assessment Committee, his committee members and the County Clerk were authorized to attend the annual convention of the Association of Assessing Officers of Ontario in Ottawa on May 23, 24 and 25. The council also approved prior to adjournment, the report of the General Administration Committee presented by Reeve Ivan D. Buchanan of Grantham Township.

G.H.S. CADET CORPS

were receiving. He ended his remarks by inviting the boys to attend the annual cadet camp, this summer.

The two companies they moved off to the flag staff where the flag lowering ceremony completed the official inspection.

This year the commanding officer of the corps was Capt. Don Mogg, who is to be congratulated on his excellent handling of the companies on parade. Lieut. Dewitt had a special word of commendation for Don and if he unfortunately had not been over age, was willing to recommend him for a trip to Staff for special training this summer.

The show now moved into the gymnasium where a series of dances were staged by the girls and a gymnastics workout by the boys. Two of the boys showed their skill by dismantling and reassembling a Bren Gun in something less than a minute and one half while blindfolded. The most spectacular part of the display was, however, the boys' gymnastics which were mainly the work of Mr. Puthka. Considering the fact that these boys are in their first year of training in this work, the results are really remarkable. The tumbling was especially good with John Kapusky, Earl Metcalfe, Phillip Pogacher and Peter Wade very much in the limelight.

As well as gymnastics and apparatus work, the girls of the school put on an exhibition of various types of dancing and a graceful display of rhythmic exercises. In

other parts of the building were displays of student work which included Home Economics, Chemistry and Physics, Geography, History, Commercial Work and Typing.

In the morning the Corps held its annual church parade. The unit moved off from the High School grounds at 10.30, marched down through the town and then returned to the United Church where a brief service was conducted by Rev. A. L. Griffith.

GROWERS BECOME

the larger of the two may develop up to 60 pounds. The number of gallons per minute in each case is 125 gals. and 1220 gals. respectively. There are pumps of a varying degree of power ranging between the two extremes mentioned above.

The pipe for the systems is provided in sections of varying length. The sections are linked by flexible couplings which are mobile enough so that fewer joints may be used over mowing land. The couplings are of a simple nature so that quick laying and setting up is possible. The pipe may be stored over the off seasons. Sprinkler heads have been refined until diameters from 60 to 370 ft. may be covered by a single one with accuracy.

Locally there have been six units installed and all of the concerned growers report increased numbers of No. 1 fruit. As well as truck crops, strawberries, raspberries and other fruit crops may be effectively irrigated. Numerous systems have been installed in the Alderhot area where truck farming is a major occupation. Costs may run between \$25 and \$50 according to the distance to the source of supply, and the rate of application (gals. per minute). It might be noted that it takes some 57 million gals. to adequately irrigate 40 acres up to one inch. Thus in order to keep consumption to an efficient minimum the prospective irrigator should have his system engineered by well trained men. This may also save him up to 65% in fuel costs for his pumping system.

ALL HAIL THE LUCKY

have escaped the frost damage which struck a hard blow in the eastern part of the peninsula. In the Quantown-Virgil area, some grape growers have estimated their losses at anywhere from ten to seventy-five percent.

One crop that does appear to be light in most cases this spring is the sour cherry crop, and even this report is not an overall picture. Pear growers are a happy lot as both Bartlett and Keiffer varieties seemed to have set bountifully. This is the first season in some time that pears have taken a good set and this commodity is expected to be plentiful this coming fall.

Beneficial Rains

Just when the dry weather was becoming a source of worry, the district was blessed with several steady hours of rainfall. In all probability many crop will benefit considerably as a result, notably included are strawberries.

Working the soil has also been made much easier, and the entire scene is one of busy preparation with tractors grinding away many long hours.

Spraying is also under way, as brisk winds have whipped the shucks away from the now miniature fruit. The Fruit Belt now transformed into a sea of green wealth, thus prepares for another season of hectic labor. But then we can always keep in our minds the prospects of that Florida trip next winter. Our fruit groves always go south for the winter. Don't they?

PROVIDE MORE AND BETTER TELEPHONE SERVICE

Today, we have twice as many employees as five years ago because more people want more service than ever before. Larger, capable, courteous — our operators, installers, the girls in our business offices — all bring to their jobs the same friendly spirit that means better telephone service for you, makes it of greater value than most other things you buy.

In the past five years, our payroll has gone up from 20 million to over 50 million dollars. Yet, up to now, despite higher costs on all sides, there has been no increase in the basic telephone rates established 22 years ago.

Today's expansion program is breaking all records, but there are still orders we haven't been able to fill. We will keep right on working and building to make your telephone service a bigger bargain than ever — to continue to provide more and better service at the lowest possible cost.

PEACH QUEENS DINE AT THE PINES

Seventy-five members of the Peach Queen's Bowling League held their annual banquet at The Pines Hotel on Wednesday evening, enjoying a most delicious steak dinner prior to the presentation of awards to the winning team and the individual league champs.

In the absence of Miss Mary Gordon, President of the League, Miss Verna Lewis presided, with Gord McGregor of The Independent, acting as chairman.

During the course of the meal Verna Lewis presented several prizes, with one of these being awarded to a young lady who gave a most interesting version of the song "Margie" sung without benefit of accompanist.

The chairman spoke briefly to the bowlers, and introduced Ken Hudson of the Metal Craft, who presented the Metal Craft Trophy to Mrs. Audrey Warner, captain of the winning Admiral Dewey team. The team is comprised of Vicky Metcalfe, Shirley Heathcote, Jean McGregor, Phyllis Lacy and Isabel McInnes.

The runners up this season was the Victory team, captained by Dorothy Mokry, Doris Mott, Marj Cimba, M. Moody and Bernice Byford are members of this team, which led the league throughout the schedule, only to be put out in the finals by the Admiral Dewey. Verna Lewis, representing the Niagara Packers, awarded each of these bowlers with a consolation award.

Lenna May won the George Kammacher prize for the high single, and also the Samuel Levine award for the high triple. Mrs. May's high single score was 375, which she turned into a high triple of 787.

One of the most consistent bowlers in the Peach Queen League, Doris McBride, again won the high average award which is given by The Independent. These three awards were presented by the chairman.

Following the treasurer's report given by Miss Fougnet, nominations were opened to fill the offices of president and two secretaries. With considerable hesitation on the part of many nominated the offices were finally filled. Dorothy Mokry became the new president, while Mrs. George Curtis and Mrs. Merle Martin will look after the secretarial duties next winter.

Miss Lewis presented the chairman with a gift in appreciation and the dinner meeting adjourned at nine o'clock, all present agreeing that it had been a most successful affair.

FOREMAN RESCUES MANY IN HOTEL HOLOCAUST

1. Piquette was overcome by smoke but managed to crawl to the fire escape where he lost consciousness. When he came to, he continued his work.

2. When the fire came dangerously close to an adjoining hardware store, Piquette again risked his life carrying out cases of cartridges and dynamite detonators.

WINS DOW AWARD

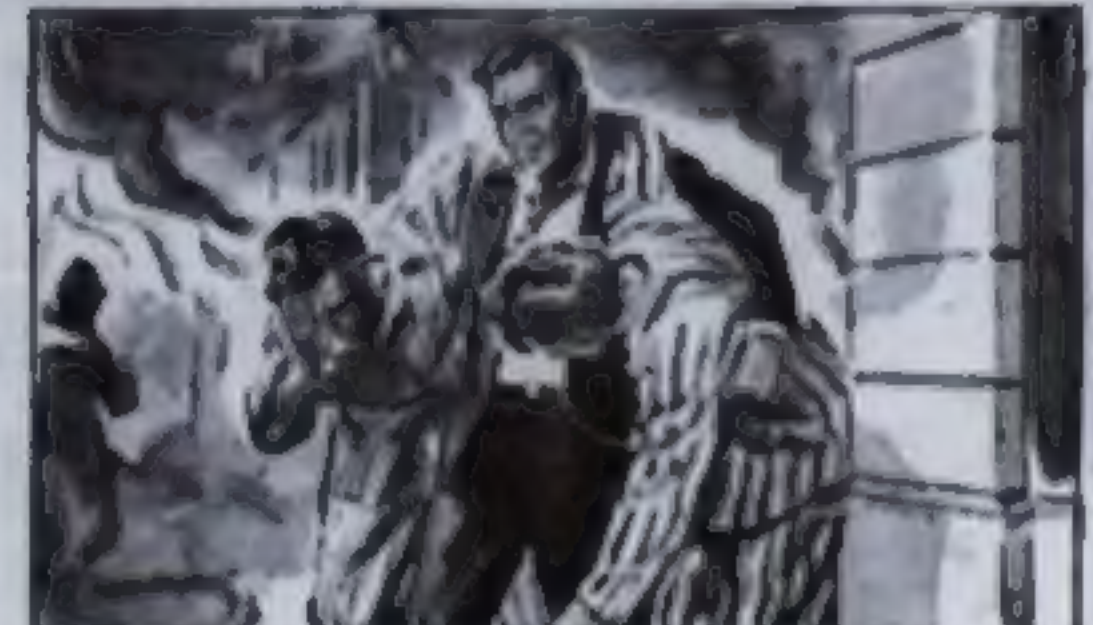

JOSEPH PIQUETTE

of Sherbrooke, Que.

is here in Costumed Man

The night of the Child Hotel fire in Costicook, Piquette repeatedly risked his life to save others. He woke up all the roomers — in some cases having to break down doors — and at one point he lost consciousness. Coming to, he carried on his work, using ladders to rescue guests. When the building was a mass of flames, he re-entered it with the owners in an attempt to reach the safe. When the two men were overcome, he helped them to safety.

We are proud to present Piquette with The Dow Award.

3. He entered the blazing hotel with two men who were trying to reach the safe. When they were overcome, Piquette helped them to safety.

THE DOW AWARD is a citation presented for acts of outstanding heroism and includes a \$1000 Canada Savings Bond. The Dow Award Committee, a group of editors of leading Canadian daily newspapers, selects winners from recommendations made by a nationally known jury organization.

SPORTS

GRIMSBY BOYS ENTERED IN ST. KITTS SOAP BOX DERBY

If you spot some young boy around this town with a far away look in his eye, it may be that he is already picturing himself as the winner of the Soap Box Derby, which event will be contested by Grimsby youth for the first time this coming July at St. Catharines.

It all started when Sandy Crews of St. Catharines, a most energetic young man, who spends many hours talking with Soap Box Derby boys between the ages of twelve and sixteen, came to Grimsby on the night that the Junior Optimists received their charter. Sandy was on hand with a movie which depicted many thrilling scenes pertaining to the All-American finals which are held in Akron, Ohio. That was all the boys needed, right then and there Grimsby entered the Soap Box scene.

Now some eight boys are preparing to build their racers, and already considerable progress has been made by a few of these eager enthusiasts. One stumbling block that may hold a boy up, is the locating of a sponsor. Derby headquarters in St. Catharines forward wheels and axles, these being the only items the boys do not construct themselves. Costing \$16.50 the boy must attempt to find a good samaritan who will pay the cost of these two items, and for this he may have painted on the racer the name of his place of business or other name if desired.

Boys' Ingenuity

Aside from the thrill of entering the St. Catharines Derby and competing with other boys from all over Lincoln, the basic idea behind the Soap Box Derby is to give boys the opportunity of displaying their talents, for although there are many set rules laid down regarding the construction of a racer, the way is open to each individual boy to experiment and come up with

something new, that perhaps might bring him over the finish line first.

The Soap Box Derby also builds sportsmanship, and contributes to a boy's character as he meets in competition under well planned supervision.

The Optimist Club of Grimsby, have appointed a Derby Councillor, whose duty it will be to give advice to the boys entering from here. Ron Fredhorne's Service Station is central headquarters, and Ron has the wheels and axles for the use of those boys who can find a sponsor and feel that they are capable of building a Soap Box Derby racer.

The boy who becomes champion in the All American Soap Box Derby, or in any of the local contests, is the boy who has built well, drives a straight race and has exhibited the finest kind of sportsmanship.

Nothing short of the top in all these three fields will enable a boy to attain the Derby crown.

Thus, the Derby Champion must have a degree of manual dexterity, to enable him to build a fine racing car. He must have a keen eye and good judgment so that he may guide that car down the track and win over the other boys. He must have a high regard for the finest sort of keen competition and be a good sport in all things to enable him to accept either victory or defeat.

The Derby has attained its present high standing in popularity because the eyes of all—sponsors and contestants alike—have been alert to the finest principles of good, clean competition.

Here's luck to all the local boys entering the St. Catharines Derby this coming July, and here's hoping that you sportsmen who would lend a helping hand to our boys will look kindly on their ventures.

MALE KEGLERS MEET

The Grimsby Men's Bowling League gathered for the last time during the current season at the Queensway Hotel in St. Catharines for their annual banquet and presentation of awards. Mr. H. Ingelhart presented the Rockwell Trophy to the winners, the Rockets. The team was captained by H. Fox, and consisted of Jerry McGregor, E. Shurt, Fred Sims, Terry Jeffries and George DeQuetteville.

The trophy for the high single of the year was presented by Bill Hewagon to the skillful winner, Harvey Lambert. Harvey ran up a score of 274 to top the silverware. Lionel Lymburner presented the prize for the high triple to St. Shurt, who ran up a nice 888 to prove his superiority.

Comic was provided by the team known as the "Shmoos" which presented their captain, Ed Simmons with a giraffe which the latter wore for the rest of the evening. The 1948-49 executive of the league was elected. Chosen as President was Bill "Cigar" Fisher and the choice for the Secretary was Harvey Lambert.

THE SNAKE PIT DRAMATIC MASTERPIECE

Darryl F. Zanuck's presentation of "The Snake Pit" which opens at the RKO on Monday, May 30th, is a motion picture that is destined to rank as one of Hollywood's finest efforts. Based on Mary Jane Ward's best selling novel, the film is a realistic portrayal on a rare theme. "The Snake Pit" is great entertainment, for in addition to the love story, there is pathos, sympathy, understanding and emotion. It has all these, plus humour and faith, the striving for security and mental calm which combine into one all-encompassing, beautifully produced motion picture. In the able hands of Director Anatole Litvak, the story moves swiftly, surely through a series of carefully contrived fastbacks which tell the compelling story of Virginia Cunningham. Tracing the insidious forces that lead to her breakdown, the film honestly and accurately pictures Virginia's experiences inside a hospital where a successful attempt is made to restore her normal place in society. Olivia de Havilland's performance as Virginia is brilliant. It is a portrayal that has fire, force and compelling drive, marking her as the screen's outstanding dramatic actress. Her complete mastery of the demanding role marks a climax to her distinguished career. Leo Genn is perfectly cast as the kindly and idealistic Dr. Kirk, while Mark Stevens contributes his finest work to date as Miss de Havilland's hus-

band. The authors of the screen play, Frank Partos and Millen Brand, deserve praise for beyond that accorded most adapters. They have accomplished an outstanding work of compression and clarification without losing the essence of the original. "The Snake Pit" rates with the best, it is a "must see" for every list.

WHY NOT "HER" TOO

Nyctophobia is a rare and peculiar nervous state in which the afflicted person is unable to speak during the hours of daylight, although his vocal powers return at nightfall.

To pursue happiness nowadays, the average person must have an automobile to make the chase.

DO YOU KNOW about TRAVEL RATION REGULATIONS?

It saves time and trouble when you familiarize yourself with the regulations regarding travel to the United States before you set out on your trip. Here are the facts:

1. The allowance for pleasure travel during the current ration period of November 16th, 1948, to November 15th, 1949, is \$150 U.S. per person (\$100 in the case of children under 11 years old).
2. A Form N permit, obtainable at any bank, is required to take out of Canada amounts amounting \$10 U.S. or \$25 U.S. and Canadian funds.
3. Special allowances are granted for strictly business travel where your application is certified by your employer.
4. Applications for larger amounts of U.S. funds for travel for health or educational purposes may be made on special forms obtainable at your bank.

Oil in the driving gears

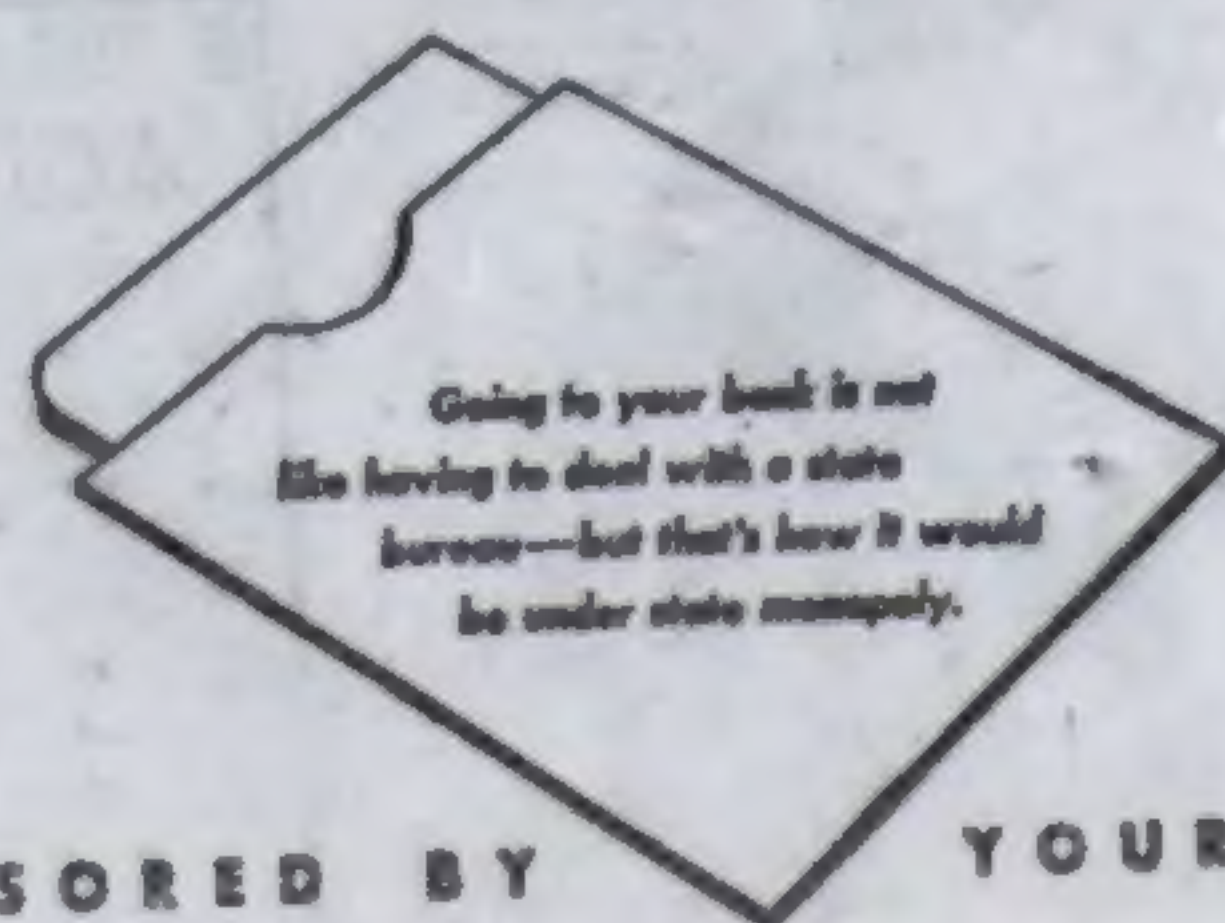

BANK CREDIT oils the driving gears of production, industry and commerce. It helps to produce the goods and provide the services and jobs which mark the Canadian way of life.

"Money in the bank" is the foundation of credit. You and some seven million other depositors have nearly seven billion dollars in the chartered banks.

To pay for work done, goods produced, bought and sold, Canadians issue — every month — upwards of six billion dollars in cheques.

Cashing these cheques, making loans, discounting notes — in many different ways your bank keeps money and credit moving through all the channels of trade and opportunity... like oil in the machinery.

This whole vast, private, competitive, efficient process is made possible by your "money in the bank" — and by the experience and skill and integrity of the men and women on Canadian bank staffs.

Going to your bank is not
like having to deal with a state
bureau—but that's how it would
be under state monopoly.

TURNING THE PAGES OF "CANADA UNLIMITED"

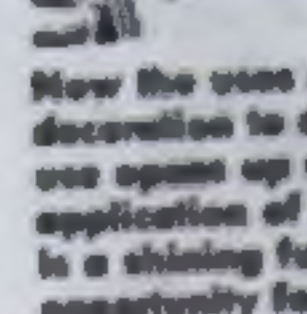

In early Canada, the flickering fire from the hearth gave the habitant his only light.

Lamps burning animal and fish oil gradually came into use during the 17th century. In 1759, by order of the Governor, citizens had to carry lamps when they went out at night.

Gas was hailed as a great advancement when it was first used for lighting in 1841 in Toronto. 30 years later, Montreal harbor-front saw the first electric lights—and a new era was born. Today, even in remote country places, homes and buildings are efficiently illuminated by electricity.

Now the uses of light are many, from decoration to display, and each new use opens up many more. In the application of lighting to our life there is a shining future, with great opportunity for Canadians. Yes—there's room to grow in Canada Unlimited.

Just how much room is told in "Canada Unlimited", an illustrated 144 page book published by the O'Keefe Foundation. You may obtain your copy by sending 25c in cash (no stamps or cheques, please) to "Canada Unlimited", Dept. NS-9, O'Keefe House, Toronto, Ontario. Please print your name and address clearly. All monies received will be donated to the Canadian Citizenship Council.

"CHAP" GORDON

based at Newfoundland.
After his discharge from the
R.C.A.F., he enrolled at the Uni-
versity of Toronto, from which he
graduated from the College of Op-
tometry recently. Chap was one
of a class of seventy-four suc-
cessfully completing the course.

In the final year of the course,
considerable practical work was
done by Chap and his fellow stu-
dents amongst the public school
children of Toronto. This practical
knowledge not only was of value to
the future optometrists, but was
necessary in order to write a thesis
on the "Visual Problems of School
Children."

Now prepared to be of service
to those requiring attention to a
most valued possession—the
eyes, Chap Gordon will open his
first office at 74 Main Street
West this Saturday, June 1st.

We welcome this adopted son of
Grimsby and wish for him every
success in his chosen profession,
and as a citizen of our Town.

HORSE SHOW WILL

lent hot dogs, hamburgs and cold
drinks. The Winona Legion had a
booth for the sporting public where
one could "lay it down and pick it
up." In the old 3 to 1 quarter
game. The Winona Men's Club was
in business with a cold drink booth
and a display of the latest in trail-
er, conveyance for horses completed
the show.

The thoroughbred which was
given away to the holder of the
lucky ticket was won by number
788. At this writing the owner of
the ticket had not yet claimed his
property but he can do so by pre-
sented his ticket at the Cudney
establishment. A reserved ticket No.
346 was drawn should the first one
not be claimed.

Two features of the event were
the knockdown-and-out classic and
the broad jump. The former was
won by Little Caesar, ridden by
veteran Bill Clarke. This animal
jumped a height of 5'1", a jump
cleared by none of the other en-
trants and one of the highest ever
cleared in Ontario.

In the other outstanding event,
the broad jump, flat cardboard
boxes were placed on the ground
behind a low jump so that the dis-
tance covered by the horse could
be measured. This was the first
time in nearly 20 years that this
event has been included in the
feature contests. It was won by
Panama, owned by E. H. Cudney
of Winona. In second position was
Catch Me, owned by W. J. Thur-
ston of Stratford and Rocket,
owned by T. Gayford of Toronto,
was third.

Another event, worthy of note,
which the Cudneys recently spon-
sored was the dance held at the
Club El Moroon. This event re-
alized some \$271.00 for the Hospital
Fund.

The winners of the events and
the runners up at the Horse Show
were as follows:

Afternoon Show

Road hack—1. Romona, owned
by H. G. Long, Hamilton; 2. Tran-
sit, R. H. Rough, Toronto; 3. Queen,
Susan Wigle, Hamilton; 4. Touch-
down, R. H. Rough and T. Gay-
ford, Toronto.

Working hunter—1. Parra, owned
by Judge Brickenenden, London;
2. Thunderbolt, Yellowknife Farms
Toronto; 3. Brown Rock, L. J. Mc-
Guinness; 4. Rocket, T. Gayford,
Toronto.

\$300 Knockdown and out—1.
Little Caesar, owned by Yellow-
knife Farms, Toronto; 2. Dragon,
E. H. Cudney, Winona; 3. Panama,
E. H. Cudney, Winona; 4. Transit,
R. H. Rough, Toronto.

Lady's saddle horse: Class 1—
Maxine Poysme, owned by Fred

Sinnett, Hamilton; 2. Royal Duke,
Mrs. A. J. Poulin, Hamilton; 3.
Junior Miss, Miss Rodgers; 4. Royal
Sensation, Patricia Poulin, Ham-
ilton.

Palomino mare or gelding—1.
Wendy, owned by Betty Stoddart,
Toronto; 2. Golden May, Victor
Smith, Hamilton; 3. Golden Flame,
Circle M Ranch, Kleinburg; 4. Jig-
ger, Circle M Ranch, Kleinburg.

Broad jump—1. Panama, owned
by E. H. Cudney, Winona; 2. Catch
Me, W. J. Thurston, Stratford; 3.
Rocket, T. Gayford, Toronto.

Pair of jumpers—1. Judge Bricken-
enden, London; 2. Hans Buscher,
Stratford; 3. Stuart Fleming, St.
Catharines; 4. A. C. Tester, Wel-
land, Ont.

Children's jumping class—1.
Kingston, Janet Rough; 2. Gentle-
man Jim, Alex S. McKee.

Palomino stallion—1. King's
Glow, owned by Circle M Ranch,
Kleinburg; 2. Clamor Boy, Victor
Smith, Hamilton; 3. Copper Joe,
Victor Smith, Hamilton; 4. Carlo,
Circle M Ranch, Kleinburg.

Evening Show
Three-gaited saddle class—1.
Knight Rose, owned by Horace De
Vernest, Hamilton; 2. Maxine Po-
ysme, Fred Sinnett; 3. Genius Pa-
radise, Miss Madeline Beattie, St.
Catharines; 4. Meadow Rose, Fred
Sinnett Jr.

Triple bar jump—1. Parra, owned
by Judge Brickenenden, Sim-
coe; 2. Little Caesar, Yellowknife
Farm, Toronto; 3. Transit, R. H.
Rough, Toronto; 4. Tony, Hans
Buscher, Stratford.

Touch and out—1. Parra, owned
by Judge Brickenenden; 2. Top
Flight, W. J. Thurston, Stratford;
3. Tony, Hans Buscher, Stratford;
4. Tony, Stuart Fleming, St. Cath-
arines.

Palomino, mare, gelding or stall-
ion—1. King's Glow, owned by
Circle M Ranch, Kleinburg; 2.
Glamour Boy, Victor Smith, Ham-
ilton; 3. Wendy, Betty Stoddart,
Toronto; 4. Copper Joe, Victor
Smith, Hamilton.

Hunter stake—1. Limerick, owned
by E. H. Cudney, Winona; 2.
Torina, George Kellough; 3. Rock-
et, T. Gayford, Toronto; 4. Major
Sander, E. H. Cudney, Winona.

Scurry jumper—1. Rocket, owned
by T. Gayford, Toronto; 2. Pan-
ama, E. H. Cudney, Winona; 3.
Torina, George Kellough, Toronto.
Hunter hack—1. Rocket, T. Gay-
ford; 2. Thunderbolt, Yellowknife
Farm; 3. Veracruzo, E. H. Cud-
ney, Winona.

\$300 jumping stake—1. Raffles,
owned by Judge Brickenenden, Sim-
coe; 2. Going Up, C. T. McMullen,
Elgin Mills; 4. Limerick, E. H.
Cudney, Winona.

LEGION SPORTS MEET

The weatherman smiled kindly,
and a forecast of rain never mater-
ialized, which of course added to
the success of the programme.

Assisting the Legion Committee,
which was comprised of Walter
Graham, Sherman and Roy Hav-
ens, Jack Sanders, Bert Com-
stock, Bob Walters, Jack Hall and
Don Aude, were officials of the
various Athletic Clubs and the Am-
ateur Athletic Union. Earl Deacon
of the West End Y. Toronto, was
official starter, while Havelock Jew-
son was record keeper at the start-
ing line. R. M. Coates and Charles
Russell of the A.A.U. and A. V.
Smith of the Hamilton Olympic
Club were timers. Jack Histed of
the A.A.U. was in charge of the
field events.

The Ladies' Auxiliary of the Le-
gion were also on hand, serving re-
freshments throughout the after-
noon. Mrs. R. C. Walters was con-
vener of the refreshment commit-
tee.

Conditions Excellent
The fine cinder track was in ex-
cellent shape for the competition,
however, reference was made to
the "squats" corners by several of
the out or town competitors, who
found the oval a trifle hard to ne-
gotiate on the corners.

Many of the open events were
contested by as many as twenty-
five contestants, which necessitated
the running off of heats. This re-
quired more time than allowed, but
even at that, the entire programme
was completed just thirty minutes
later than was anticipated.

The pole vault was one of the
most keenly contested events,
with Stan Egerton of the West
End Y finally emerging victorious,
clearing well over twelve feet in
his final effort.

As is usually the case the win-
ner of the men's open one hundred
yard dash was the winner of the
220. Bernard Gillett of the Lake-
shore Y. Toronto, romped home in
both cases, a winner over some of
the top names in this particular
division.

The Hamilton Olympic Club
came in for plenty of attention, as
two of its members won both the
five and ten mile road races.

Betwyn Jones was an easy winner
of the five, while Whitty Sheridan
crushed home with a comfortable
margin in the ten mile event.

What could be termed an upset,
turned up in the 880, when John
Ross of Oakville, a comparative
stranger, beat out Hamilton's Gor-
die Haight. Ken McIlwain of Tor-
onto West End Y took third place.

As usual the 880 Relay was a
feature of the afternoon. After
taking a twenty yard lead, the A
team of the East End Y. Toronto,
dropped the baton, and although
their fourth member came up with
a thrilling comeback, he could not
catch up with the team from the
H.O.C. who won the race.

Unfortunately space does not al-
low us to print the names of those
winning the many events. Results,
however will appear in next week's
issue.

LIONS HEAR AUTHORITY ON ATOMIC POWER

The regular dinner meeting of
the Grimsby Lions Club was held
at the Village Inn on Tuesday, May
17th. The speaker provided for the
evening by Chairman Clapville and
his programme committee was Mr.
A. L. Deachman of Toronto. Mr.
Deachman is a publisher of note
and was recommended by the Uni-
ted Nations as a speaker on inter-
national affairs. His talk on "At-
omic Power For Peace or War,"
proved that his high reputation has
been well earned.

The meeting opened as usual with
"O Canada," and a delicious meal
provided by the ever efficient
Peggy O'Neil. Lion Chief Millard
reminded the members of the Dis-
trict Convention to be held in Ham-
ilton on May 26th, and asked for a
large attendance from the local
club. President Millard also ex-
pressed the thanks and congratulations
of the club to Lions Jim Walker
and Barrington Garham for
their work in the organization and
direction of the recent X-Ray
campaign (see elsewhere for com-
plete story).

After a short sing-song the
speaker of the evening was intro-
duced by Lion Joe Jackson.

Mr. Deachman proved to be a
man small in stature, but with a
compelling personality and a uni-
que way of emphasizing his words
with quick, forceful gestures. He
spoke for just over an hour but
held his audience spellbound mak-
ing the time pass quickly. His sub-
ject, the title which already has
been quoted, was one in the treat-
ment of which a person could eas-
ily fall into the use of platitudes
and hackneyed and worn argu-
ments. It goes without saying that
Mr. Deachman was not guilty of
these faults. He stated the case
for and against atomic power in
the language of the layman and
drew, by means of logical infer-
ence, the only possible conclusion.

Beginning with a brief explana-
tion of the valency theory, the
speaker traced atomic development
through 1910 when the atom was
proved to be of a compound nature
to the actual fusion of the atom
by German scientists in 1939. He
then pointed out the simple nature
of the valency theory, the release
of energy by sudden fusion. There
is no doubt that Russia has an
atomic bomb in the speaker's opin-
ion and that she has enough of
them to destroy the North Ameri-
can continent. The only remaining
secret is the exact amount of Ur-
anium which will explode under
radium bombardment.

Mr. Deachman gave illustrations
of the great power of the atom for
both peace and war and then went
on to draw his conclusion. "There
was only one man in history," he
said, "who had the power to con-
trol the force of the atom and that
was the man who stood in a boat
on the Sea of Galilee and said to
the turbulent waters, 'be still,' and
they obeyed him."

The thanks of the club was ex-
pressed by Lion Chetwynd and
echoed by Chief Lion Millard.
The meeting closed with "The
Maple Leaf."

People had better digestive sys-
tems in the old days. The restau-
rants gave you better and more
food and less people.

NEW HALL PLANNED FOR TAPLEYTOWN

The Tapleytown Men's Club is getting right down to business, and with the assistance of donations which are still coming in, the Club

has taken an option on five acres of land, and have plans drawn up for the erection of a hall for the use of this community.

The Men's Club have entered a team in the Fruit Belt League, and interest is running high, as the opening game of the schedule is but a few days away.

A very fine hall diamond has been laid out, under the capable supervision of Mr. U. McSweney, with assistance from Messrs. Clarke, Lovy, Gilman and Fowler.

Mr. McSweney has accepted the coaching duties, and the first practice was held last week, with several players from the surrounding territory on hand. The team should be plenty strong, and will give a good account of itself in the strong Fruit Belt League.

Stuff Round Town

By GORD MCGREGOR

Saturday, May 7, was a most pleasant day. The sun shone brightly on you and I, and every where the cleanliness of spring made one feel grateful for what is about us. What were you doing? Perhaps you were spading your garden, or washing the car up for a weekend trip, or perhaps if you are a child you were anxiously awaiting your dad's return from the store with a special treat of ice cream. Or perhaps you were taking part in a spring wedding—well it just so happens that these were the two sides of our story. It's a tale as true as your own eyes can witness—and as tragic as you'll care to read.

Edgar Carlrow, age 39, is of Indian extraction. He lives in a small cabin and converted streetcar at Fruitland. His family includes his wife, and five children. There is Clifford age three, Grover age five, Carson is the eldest at eight years, and Danny—big brown eyed Danny, he is seven. Then there is one little girl, Donna, just two years old. Three of the kiddies are out playing in the orchard, waiting for dad to come home from the store. They await his return anxiously because he is bringing two bricks of ice cream with him. Danny especially keeps a sharp lookout for Dad, who is riding his bicycle. The same bike that he used to get to work at the big Firststone plant in Hamilton.

The scene now shifts to a winding auto, driven by a young man who is travelling to Grimsby where he is to be an usher at a friend's wedding. His rented car already has a few pink and white streamers fluttering in the warm breeze. For him, the day will be a pleasant one a wedding always means a gay time, with all your intimate friends. Yes, Jack Tiverton is looking forward to the hours ahead.

As he travels east along No. 8 he notices a man riding a bicycle. As he approaches everything appears to be normal, when suddenly the looming figure of the cyclist is right on top of him. My God, he cannot miss the man. There is a screaming of brakes, a sickening thud as the body of a man crashes into the front of the car. The vehicle in its vain attempt to miss the cyclist has now crossed the road and finally comes to a stop in a shallow ditch. Little Danny Carlrow had seen his father coming down the highway, he had seen the car, and he had seen his father's body thrown and then lay slowly off the crumpled fender and into the dust.

The runs to the inert form of his father, but this spring day with all its beauty holds nothing but death for this man.

The bicycle lies across the road a tangled mass. Over in an orchard two bricks of ice cream melt in the warm sun.

The decision has been made. Bruce Hill is the Conservative candidate Lincoln will support in the coming Federal election. Undoubtedly Mr. Hill is a worthy successor for Mac Lockhart, whose fourteen years of service on behalf of Lincoln County were recognized by one and all at the Beamsville convention. A machine candidate, Hill will have plenty of power behind him, whether or not he can master the parliamentary procedure so necessary is something that will tell. In Romaine K. Ross time will tell. In Romaine K. Ross time will tell. It would be a pity if our young viewpointer from the cards were asked that he will continue to enter hope that he will continue to enter his name. His brilliance is attuned to be recognized. Perhaps he will not meet with the approval of our local big shot Tor, but then perhaps they will have around when new blood will tell a chance to make its influence.

Wouldn't be surprised opened other ending establishment within... say six weeks.

This Saturday the Beamsville Chamber of Commerce Auto Race will turn this Village into a minor Indianapolis, as the souped-up hot rods burn their way around the dusty oval at the Fairgrounds. Given any kind of a break from

DEAF MUTE FINALLY TALKS AS POLICE GET WRITER'S CRAMP

Playing her part with superb skill, a young lady acting the role of a deaf mute completely fooled officers of the Provincial Police, Grimsby Town Police and also the C.M.P. for several hours, before Chief James finally traced her wild stories of being a victim of a Windsor tornado, a supposed citizen of the U.S.A., and in general, an all-round adventures.

For hours on end police wrote messages to the supposed deaf mute and she in turn scribbled out the answers and through it all the police never dreamed but what she was actually a deaf mute.

Said Chief James, "she deserves an Academy Award for her performance. In all my life I have never seen such superb acting."

The young lady gave her name as Deborah Kaufman, age 17, and a resident of Windsor. She informed Provincial Constable John Richards, who was the first to meet up with the heroine, that she was looking for a sister living on the Grimsby mountain. After questioning, Richards turned her over to Chief of Police James, who upon learning of her claim to United States citizenship, called in the R.C.M.P.

Then followed many hours of note writing, with police trying to get her life history, queries went out to Windsor for further information.

While awaiting an answer the girl was kept under surveillance at the Missionary Sisters of Christian Charity, No. 8 Highway. Many long distance telephone calls were placed, and still the police questioned the shapely brunette, whose handicap of speech made the ordeal a very trying one.

Eventually a telegram arrived from C. Renaud, Chief of Police at Windsor. The wire read: "Kaufman woman faking, suggest for full particulars you call Chief Ashby, Simcoe."

Immediately a call was placed to Simcoe, and Chief James was astounded to find that the Simcoe police knew plenty about "Miss Deborah Kaufman." It seems that for three days she played her deaf and dumb act with them, and not until they put a vagrancy charge at her, did she melt and speak with a rather pleasant voice. Pleasant for a deaf mute at least.

Now Chief James got a little tired for all his loss of sleep, to say nothing of the long distance telephone calls the little lady had caused him to make on behalf of the taxpayers. Without further ado she was taken from the convent, and charged with vagrancy. Her real name is Elizabeth Roy, her parents did not die in the 1947 tornado in Windsor, which was supposed to be the cause of her becoming a deaf mute. She does have a sister living in Honey Creek by the name of Stack.

When last seen Elizabeth Roy, or Deborah Kaufman was making a trip with the police to St. Catharines jail. A pile of notes remain on Chief James' desk, a memento of The Case Of The Talking Deaf Mute.

weatherman, the event should draw thousands to Beamsville. We urge our readers to make a point of attending, and suggest that you do not wear your best clothes. The dust will probably be a bit dense.

The West Lincoln Branch of the Canadian Legion are to be congratulated for the prestige they have gained through hard work in nursing along the annual Sports Day. This year's show was the best yet, and the big names in sporting circles attest to the prominence the Legion ladies have made of their once minor effort.

Optimist Club Meets to-night.

Beamsville Chamber of Commerce Auto Races this Saturday.

Dunville Lions held the grand opening of their park on the 24th. Best 'em... didn't we.

Burlington Arena Campaign has reached the fifty thousand dollar mark. A mere \$130,000 to go. Good luck.

New traffic signs on the outskirts of town, inform one and all that the speed limit is thirty miles per hour.

When June 27 rolls around, do not look for excuses for not going to the polls. The C.C.F. supporters don't... why should we?

Bruce Murdoch's photo of Miss Canada, crowning the Bloomington Queen is scheduled to hit the front cover of the Police News Magazine in the very near future.

A discharge button No. 207327 has been turned over to The Independent by W. D. Konkle of Beamsville. Owner may procure same at this office.

In St. Catharines two men were fined for canvassing door to door, attempting to form a pyramidal club. This seems to have died a natural death here. Farewell thou cherished two bucks.

Harris Motors has now incorporated under the name of H. Harris Motors Ltd., and the following officers have been elected: H. G. Harris, President; J. S. Clifford, Secretary; R. M. Halpern, Director.

Two men were injured and removed to St. Catharines hospital when the car in which they were riding skidded on the slippery pavement east of Vineland. The damage to the car was estimated at \$300.00 by P.C. J. J. Richards.

For the benefit of those people asking about Grimsby's one and only infamous spotlight, our sleuths report that approaching the light on Ontario Street, the bally thing is red for 36 and 3-5 seconds, amber for ten seconds and green for fourteen seconds.

When the steering rod broke on the 3-ton truck owned by Harvey Fisher of Acton, three occupants, Doug Taylor and Leo McCristall of Acton and Erin, and Calvin Letich of Grimsby escaped injury, although the truck was extensively damaged, as it knocked down one of the boulevard lights on the Q.E.W.

The local High School grounds has received a face lifting job along the back line. Several of the poplar trees have been cut down to provide a base. Numerous loads of earth have been hauled in and levelled. The deep ditch along the back line of the High School grounds has been filled in over the at one spot to provide a crossing. This was considerably cheaper than bridging it.

COMING EVENTS

The ladies of St. Joseph's Church Altar Society are holding a BAKE SALE at the office of The Grimsby Natural Gas Company on Saturday morning, May 28th.

THE WOMEN'S ASSOCIATION of Trinity United Church are holding a Tea and Sale of Baking at the home of Miss Margaret Allan, 66 Main E., on Friday, June 10th, from 3 to 5.
